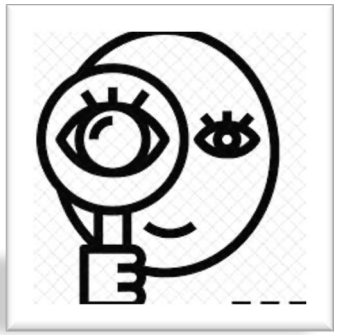
Authorities would like to monitor all 3 classes of people, **Positive Patients**, **Suspects**, and the rest the normal **Citizens**

Positive Patients

- Need to be treated
- Need past location data for **contact tracing**



Suspects

- **Contact Tracing**
- Enforce **Quarantine**
- Report / Watch symptoms

Rest of the Citizens

- Anxiety free, risk free movement
- Match for **contact tracing**
- Report symptoms / health status
- Enforce **lockdowns**
